

MARQUETTE UNIVERSITY GRADUATE SCHOOL

FINANCIAL AID APPLICATION FOR ADMITTED STUDENTS

Instructions: This form is to be used only by students who are admitted to the Graduate School. Students applying for admission should use the Graduate Admission and Financial Aid application. Applications for financial aid awards from the Graduate School are merit-based not need-based. They are awarded on a record and future potential, not on financial need. Students on probation and non-degree students are not eligible for financial aid; however, non-degree students may apply for the Milwaukee Area Teachers Scholarship. Current financial aid recipients must reapply for any additional support beyond the amount of their recent award letter. Requests for further information should be directed to the Graduate School (414) 288-7137. The Graduate School will begin reviewing applications about one month after the application deadlines.

Deadlines that fall on weekends are extended to 4:30 p.m. on the following Monday. Late applications for aid are accepted but applicants should be aware that departments begin reviewing applications and making their award decisions shortly after the application deadline. For more information, contact the Graduate School at 414-288-7137. This form is also available at http://www.marquette.edu/grad/forms_applyinaid_admitted.shtml
