Post-graduation service, full-time	1%	0%	3%	2%	2%

Outcomes for students from the College of Professional Studies are excluded from the table above due to the small number of respondents.

Graduate and Professional Education

Those pursuing graduate/professional school were asked to indicate the type of degree they are pursuing and the field of study of the degree. The survey also collected the name of the school, although that information is not included within this report.

About 50% of those pursuing graduate/professional school are
