Consideration of Minutes of the December 6 2016 Meeting.

through April 2017

show a downward trend in multiple categories. Specifically, there was a 2% decrease in robberies and a 5% decrease in burglaries over the same time period last year. In addition, the Chief indicated there has been a 54% decrease in robberies from the January 2014 to December 2016 (a three-year period). These numbers are based on crimes which appear in the MUPD Daily Crime Log, which reflects crimes in the entire patrol zone. The City of Milwaukee has not seen similar decreases, unfortunately. Mr. Stanley indicated that crime numbers in the Near Westside area are also trending downward, and partially attributed that to the increased visibility of MUPD in that area.

Community Outreach. The Chief indicated that MUPD has intentionally made efforts to build strong community relationships. Examples include: National Night Out, Coffee with a Cop, Neighborhood Coffee with a Cop, interaction and outreach to schools in the area (Guadalupe and St. Rose School). The Chief also reported that MUPD employees have provided 430 hours of community service in 2016. The Chief noted that MUPD Officer Josiah Williams was recently recognized by President Lovell as a Difference Maker for the University for helping a family and going above and beyond.

New MUPD Initiatives. New info by the Chief: 1) MUPD has received funding for three new dispatchers, bringing the total to 12 dispatchers; 2) A new report management system is slated to
