

**Rating Sheet**  
**Core Competencies of Clinical Psychology**

**Directions:** Please rate the student's portfolio, which should include his or her (1) academic transcript, (2) CV, (3) Master's project abstract and faculty rating sheets, (4) DQE abstract and faculty rating sheets, (5) dissertation proposal or plan, (6) the form *Documentation of Clinical Hours*, and (7) the two most recent *Practicum Student Evaluation Forms* completed by clinical supervisors.

To qualify to go on internship, the graduate student must meet all of these competencies at the "Meets Expectations" level or better. Students may ask to be rated on the Teaching competency.
